

LEAGUE AN ISSUE IN OREGON PRIMARY

Chamberlain Opposed by
Avowed Wilson Can-
didate.

PORTLAND, Ore., May 21.—The league of nations was an outstanding issue both in the Republican contest for presidential endorsement and the contest for the Democratic nomination for United States senator in the Oregon primary today.

The active candidates for the Republican presidential preference are Maj. Gen. Leonard Wood, Gov. Frank Lowden, of Illinois, and Senator Hiram Johnson, of California. The names of Herbert Hoover and Senator Miles Poindexter also appear on the Republican ballot, but Senator Poindexter announced his withdrawal from the Oregon contest and Mr. Hoover's campaign managers in the state have asked Republicans to throw their strength to the pro-league candidate they think to have the best chance of defeating the "no-league" candidacy of Hiram Johnson.

The name of William Gibbs McAdoo is the only one appearing on the ballot as Democratic candidate for president. Senator George E. Chamberlain, seeking re-election, is opposed for the Democratic nomination by Harvey G. Starkweather, an avowed supporter of President Wilson in his stand on the league of nations. Throughout the campaign Senator Chamberlain has been silent on this question, which was presented squarely before the Democratic voters by President Wilson, who telegraphed the chairman of the Madison county Democratic central committee urging support of the league without reservations.

FLOOD VICTIMS NEED RELIEF IN LOUISIANA

NATCHEZ, Miss., May 21.—Investigators have covered the flooded sections of the Mississippi river and found much suffering, according to reports made to the flood agent of the American Red Cross. It is stated that while the Louisiana legislature has appropriated \$25,000 for seed and fertilizer, it was said last night that a general appeal would be necessary for food, clothing and other emergency relief supplies.

Red Cross investigators have found pressing need of emergency relief in the flooded Black River section, and a condition in Concordia, Avoyelles and Catahoula parishes, Louisiana, that is regarded as critical.

CAESARIAN OPERATION PERFORMED ON A HOG

LONGMONT, Col., May 21. (By International News Service.)—What is believed to be the first Caesarian operation ever performed upon a hog proved only a partial success here, while four little piglets of litter of nine survive, the piggy, a thoroughbred Poland-China hog, succumbed to the operation.

The four survivors are being reared on a bottle.

SO WEAK LIFE A MISERY

Florida Lady Would Have Aching Pains in Side, Back and Shoulders—Took Cardui and Soon Noted Great Improvement.

Odeesa, Fla.—"About two years ago," writes Mrs. J. D. Powell, of this place, "I took several bottles of Cardui as a tonic, for I was run down in health. In fact, I could hardly do anything at all; could only drag around and couldn't do my work."

"Life was miserable to me, and I knew I must have some relief, as I was so very weak. I would suffer from aching pains in my right side, back and shoulder. I would have such terrible nervous spells, which would come on me and I would fall down wherever I was standing."

"My friends recommended that I try Cardui. I began using it and soon saw and felt a great improvement. My appetite became good. I could rest well at night, and I got so I could do all my housework in a short time. I praise Cardui to all my friends."

"If you suffer from ailments peculiar to women, it would be well for you to give Cardui a trial. For more than forty years it has proven beneficial to thousands of suffering women, and what it has done for others, it should do for you."

"Take Cardui, the Woman's Tonic, today. Your druggist keeps it." adv.

DRUG ADDICT DIES IN POLICE STATION

C. R. Barnett, 60, residing at the Jefferson hotel, drug addict and sufferer from tuberculosis, died at police headquarters shortly before midnight Thursday before an ambulance could be summoned after he was discovered in a dying condition. He became ill late in the afternoon and was taken to the hospital, but after a diagnosis he was returned to the station. At this time Police Surgeon J. R. Drake pronounced him in an exhausted state from tuberculosis. He had been a patient of the city dope line-up each day. At 9 p.m., when he was discovered almost unconscious, an effort was made to get the General hospital ambulance, but rules of the institution halting operation of the ambulance each night after 6 o'clock, prevented this. A short time later another ambulance was called, but the man was dead before it arrived. Barnett's body was turned over to the county morgue pending word from relatives, if any can be located.

What would you do without good eyesight? The best way to preserve it is to wear suitable glasses if your eyes are any way deficient. Our examinations are authoritative.

The Gift of Gifts

What gift bears more significance—expresses sweeter sentiment, than the wedding gift?

What so beautifully perpetuates the memories of this Holy Sacrament—Matrimony—as do the splendidly chosen tokens of genuine friendship presented at this time?

The family "Coat of Arms," through its lofty significance, is scarcely a contender for the cherished place in the hearts of us all that are so occupied by the family "heirlooms" that were the wedding gifts of our grandparents.

Our carefully chosen stocks of Sheffield Silverware afford adequate selections of suitable gifts of the characterful kinds so admirably adapted to this purpose.
